**Menifee Meadows Equestrian Center** is a **private, 900-acre, trails estate**, single trainer (no drama) and professional horse boarding, training and sales facility (Great Horses of America). Probably the only one of its kind in California, Menifee Meadows is truly a one-of-a-kind equestrian experience. We are a family operated and family oriented stable as well as a **FULL SERVICE**, premier equine enterprise with staff or owners onsite 24-7 (fee for after hours). Our combined owner/management level industry experience totals over 80 years with peak stable management of over 100 working horses at one time. We can provide any possible horse related training or stable service for your convenience. With one of California's only **TRIPLE CERTIFIED** trainer onsite, we can offer unmatched professional services as well as onsite consignment sales and horse consulting on every equine issue: all breeds, disciplines and experience levels.

**DISCOUNT shipping is NOW available** so please ask for a quote, details apply: **simply email us your location**, sign our 'authorization to ship' form so **we can pick up your horse with or without you and we'll do the rest - we make moving in, effortless and stress free (payment plans MAY be available).**

## Training

— (not including Board) **ONSITE** and **Triple CERTIFIED Pro Trainer – Teresa Kackert**, provides her own **trademark 'Soft Touch' Horsemanship Program** for client convenience. **Professionally versed in all disciplines** & currently with 15 horses in professional training or sales, Teresa specializes in **performance tune-ups, confidence building, skill enhancement and behavior modification**; there is practically no horse or rider that cannot benefit from her efforts. Horses include Friesians, Arabs, Drafts, Thoroughbreds, Quarter Horses, Gaited Horses, Saddle horses, ponies, trail horses, Hunter Jumpers, started young colts and restarting middle aged and older horses. Her flexible Training Packages are perfect for all levels of horse and rider. She also provides her **professional consignment sales program** ('Great Horses of America' at [www.GreatHorses.org](http://www.GreatHorses.org)) for both her clients' sales and purchasing needs. A seasoned professional and competitor of 20 years, her unique success is based upon teaching **classical equitation skills with natural horsemanship techniques**. Mixed and matched as uniquely as each horse and rider, any combination can be used as needed or as directed by you: **training, riding, confidence building, personal coaching, trail ride alongs, tune ups, handling, exercising, teaching new skills, modifying unwanted behaviors, riding lessons for the client**, etc. You may also use either your own horse or one of ours at no extra fee. 'Horse only' training sessions are fine too, whatever you need. Generally speaking training sessions will be for approximately 45 minutes. Haul in session fee for a 'non-boarded' horse is **CURRENTLY \$0 with a lesson, \$50 \$20 without (for trail riding on 900 acres and facility use!)**.
